The Inman Made To Measure™ Ottoman is a piece that Suzanne Kasler has used countless times as a custom-designed piece. The ottoman is square and linear; as such it functions well as a coffee table with a tray on it. The piece is available with an optional slipcover making it as versatile as it is useful. The tailored slipcover can be personalized by adding an optional decorative mitered detail (as shown). The Inman Ottoman is available Made To Measure from 18 to 60 inches in length and width.
