HICKORY CHAIR..

Pleasant Street Stool

Hickory Chair

Item: 2807-30

Please call for pricing.

This versatile upholstered ottoman is rescaled from a diminutive 1920's oval stool. A tight dome-shaped top sits 18" high on a crossbow frame, with O'Brien's signature reeding detail along the legs. Use as a coffee table, ottoman or just extra pull-up seating in your living room. Also great for seating at the foot of a bed.

Fabric & Finish:

Choose from over 1000 fabrics and leathers
and many wood finishes
